

## Interior Design Year 03

### Items

You will continue to use your equipment and have consumable expenses that you had in second year. Your printing costs will however increase this year as you start to complete more work digitally. It is not required that you purchase additional items at this stage. You will be informed throughout the year of materials required and in most instances the type of equipment will be dependent on your design and application thereof.

### Textbooks required

All print textbooks are available at our preferred supplier: Juta Books

The e-mail addresses for the respective branches are as follows:

Hatfield (PTA): [ptabooks@juta.co.za](mailto:ptabooks@juta.co.za)

Johannesburg: [jhbooks@juta.co.za](mailto:jhbooks@juta.co.za)

Claremont (CTN): [claremontbooks@juta.co.za](mailto:claremontbooks@juta.co.za)

Parow (CTN): [pabooks@juta.co.za](mailto:pabooks@juta.co.za)

**PLEASE NOTE: Textbooks will be available from January 2012.**
