NEW CAMPUS FOR INSCAPE DESIGN COLLEGE PRETORIA

After many years at 444 Atterbury Road Menlo Park Inscape Design College, Pretoria campus, of has moved . The college is now situated at 431 Atterbury Road.

That's right, the new campus is just a few hundred metres away from it's old location and is still conveniently situated on Atterbury Road and Rea Vaya Bus routes. Second year students were tasked with designing the interior and exterior of the building which is still currently undergoing renovations. Elements of each project were taken into consideration for implementation within the new space. Renovations are due to be completed before the students return to college in January 2010. Check the next UPDATE for photos of the new and greatly improved campus!

Our 2nd year Interior and Graphic Design students presented their ideas to a panel of staff members including Principal and owner of the college Rick Edmonds.

A very big thank you to our Principal, Rick Edmonds, for the new campus!
