

INTERNATIONAL DAY ON CAMPUS

Cape Town students put their creative cooking skills to the test when they held an International Day at the college on Friday 12th March.

Each class chose a country as a theme and they decorated their classroom accordingly, wore the traditional dress and made some of the traditional recipes. Countries represented were Greece, Hawaii, Thailand & India.

The food items were sold to raise funds for future student events and of course graduation. Flyers were handed out to the tenants of Buchanan Square who supported the students by spending their moola on international cuisine instead of the usual Friday take-aways! Even those who didn't see the flyers were drawn in by the wonderful aromas and tantalizing goodies they saw from others leaving the premises. The third years chose India as their theme & even had an inhouse henna tattoo artist (Sapna) beautifying the hands & feet of the students.

Good fun was had by all and no food poisoning (that we know of!).

CONNECTED - 2nd INTERNATIONAL CONFERENCE ON DESIGN EDUCATION

Designers and educators in engineering, architecture and design have been invited to participate in the 2nd ConnectED International Conference on Design Education.

The 2nd ConnectED International Conference on Design Education will be held from 28 June to 1 July 2010 in Sydney, Australia. ConnectED 2010 will be in association with the Design Educators Forum of South Africa (DEFSA). Our association with DEFSA is aimed at introducing a major stream of papers from Africa, India and Asia addressing design in relation to development and a truly globalised design economy.

The Conference is expected to attract delegates from Australia, New Zealand and the wider international community and from a wide variety of disciplines including art, engineering, architecture and the built environment.

We are proud to announce that Mornay Schoeman (Cape Town Campus principal) will represent Inscape at this conference with a paper entitled:

Extending the Learning Landscape: Adapting to New Students at Inscape Design College

by Mornay E. Schoeman and Helen L. Bührs

GOOD NEWS FOR AD AND ID STUDENTS

Students are now able to complete their Continuing Professional Development (CPD) portfolio submission online by logging onto the Inscape website and clicking on "SACAP online CPD portfolio submission" making CPD portfolio submissions quick, easy and accurate.

It will also significantly reduce the processing time for registration renewals.

Welcome to new staff members

We would like to extend a belated, yet warm welcome to the following new staff members:

Reneé Blattes, Tania Hurley, Madaleen van der Walt, Ruan Adams, Laurie Vogt, Ukpong Ukpong, Natalie, Brendan Campbell, Celeste Kukkuk, Thulare Matlaba, Petta McLellan, Fiona Mosca, Adriette Myburgh, Gwynedd Peters and Dan Rosenthal.

Holiday Workshops

Yes, it's that time of the year again. Workshops for matric students were held on all campuses during the April School holiday. The brief went as follows: **Issey Miyake is opening a watch store in a mall near you, before the store opens; you have been invited to design the store and the product launch.** Students got a taste of both Graphic and Interior Design and also got the chance to chat to Industry professionals on the 'Industry day' which was held on the last day of the workshop.
