

IMAGE SELLS

One of our alumni, Jannie Beukes, was finding it challenging to find work in the interior design industry. This is no surprise considering the global effects of the economic crises, however one of our contacts in industry suggested that he needed to spruce up his image which could help to make an impression on potential employers.

We decided to help Jannie by giving him a mini makeover! It involved streamlining his cv and sharpening his look. We took Jannie shopping for a few basic items which helped him look more trendy and professional. Since then Jannie has been doing freelance work and has been so busy he hasn't had time to come back and visit!

Inscape, Cape Town

EX-INSCAPEES TIE THE KNOT

We're married! On August 7th, 2010 we "TIED THE KNOT" and promised our eternal love and devotion to one another at Avianto, Muldersdrift. What a joyous and wonderful day it was, and our love story started nowhere else but at Inscape Design College.

We would like to let you know that Inscape Design College will always have a special place in our hearts - not only because:

- we successfully graduated from your college,
- made GREAT friends, and HAD MUCH fun - working "all-nighters, presenting,
- but also because this was where we met, and where our friendship developed into love.

Our story will forever be: "Once upon a time, at a place called Inscape Design College, a young and energetic guy fell in love with a stunningly beautiful girl ... and they lived happily ever after" You're forever etched in our memories!

All the best, Jeandré and Nanet Botha

Fun on campus! Fun on campus!

The Design Foundation class in Pretoria organised a Reverse Spring Day dress up in order to raise funds for Industry Day. All staff and students had to wear their school uniforms. **Far left and left:** Staff and students alike participated. There were even lucky draws with hampers to be won!

Above: Good food, good friends, good times! Staff Spring celebration at the Rosebank campus.

Left: A message to Quintus (lecturer) from his second year Interior Design class.
